

DPCA Athletics 2010-11

Athletic Fees

Fees are charged each year to help cover the additional costs of maintaining the athletic program. The bulk of the fee charged is to cover transportation costs.

JV and Varsity Athletes: 145.00 per season per athlete, \$275.00 family cap per season

Junior High Athletes: \$115.00 per season per athlete, \$215.00 family cap per season.

Home School participants: add \$35.00 per athlete to the individual fees noted above.

At least one-half of the fee must be paid prior to August 25. Parents who wish to split the fee into two payment may do so; the second half of the fee will be due September 25. Students may not begin practice or play unless at least half the fee is paid, and may not continue to practice or play if the second payment is more than five days in arrears.

If you have any questions please contact me

Thanks so much
