2009–2010 SCHOOL CALENDAR

We have just revised and updated our DPCA 2009-10 School Calendar. It is included in your child's weekly packet today.

Please note the "revised" date at the top of the new calendar. Also, it would be safest to throw away the old calendar. This will prevent any confusion over early release dates and times for special events.

This revised calendar will take us through the end of the 2009-10 school year. Make sure to post your new calendar!!

THANKS
