Reminders for Parents and Guests

- ◆ For the safety of all our students, we need to know who is in our school building. As you come into the office during school hours, please check in at the front desk. 
- ◆ Traffic Flow—Please note that our parking lot is basically a ONE-WAY drive through. Please enter through the drive closest to the building and exit through the drive next to Valley Fellowship Church. This will prevent traffic blockage at the entrance and hopefully accidents.
- ◆ Parking—Parking spaces are clearly marked (If there is not ice on top of the marks!!) Please park in marked spaces, observing no parking zones. Also, remember that parking by the front door or just past it puts you in a fire lane and should only be used for active loading and unloading.

Thank you for your help. Observing the above will help to keep us all safe and make travel to and from and in and out of the school easy for us all!!

WORLD VISION—HAITI DONATION

The last two weeks we have taken up a special chapel donation to help those suffering in Haiti. To date, we have collected \$684.81. Thank you to all who have donated to this cause.

Please note that we have until tomorrow, Feb. 5th to collect donations. If you would like to contribute, please send your money to the school office.

GoodSearch If you use the internet at all, we'd like to introduce you to two tools that are easy to use, will help you and will help DPCA.

GoodSearch is powered by Yahoo and donates a portion of their advertising revenue to the charity of your choice. It is used just like any search engine and you can place it on your toolbar to be used all the time.

GoodShop donates up to 37% of your purchases to your charity. You can use GoodShop for stores like Amazon, eBay, Target, and Best Buy.
