

DPCA SCHOOL NEWS

SUMMER FUN IN THE COLORADO SUN

Although we have had lots of sun, the cool temps and even areas of snow have made us wonder if summer is really here! However, the change in our school office hours...9:00 am—1:00 pm, Monday through Friday, and the incredible quiet in the building indeed let us know that summer is here.

We will be publishing a summer edition of the News in June, July and August, just to keep you aware of happenings at DPCA. Each edition will be located on our website (www.dpcaweb.org) and will be there for you to read, print or send to friends. So, keep up with the NEWS by reading the NEWS each month!!

IMPORTANT INFORMATION ON THE WEB

Along with the DPCA NEWS, we will be posting items of interest and information as they happen on the school website. Make it a habit this summer to check our site regularly.

- * The 2008-09 School Supplies Lists are posted on our website. We know they look upside down, sideways and funny, but if you will print one and fold it, you will see that it makes a compact booklet to carry with you as you shop.
- * REVISED school calendars will appear periodically on the website. Make sure that the one hanging on your fridge is the most current edition.

SPORTS PHYSICALS FOR ATHLETES

All DPCA athletes please note...

Free physicals will be given early this year. Usually scheduled in August, physicals this year will be given from 6:00—8:00 pm on Wednesday, July 30th at the BVHS PE Complex.

This is an excellent way to get a physical without the cost. You may download the form needed for that night here on the website.

Updates For The Office...

In an attempt to get information to you in a quick and efficient manner, we will be sending out e-mails through the summer and hopefully, more often during the school year. This edition of the DPCA School News has come to you through the mail if you have not given us an e-mail address, or have not updated us with a change in your e-mail address. If you do not have a computer, consider using a friend's, obtaining a free e-mail address that you can check periodically, or accessing our site at the library to get the information you need.

*We will do our best to keep current and accurate information in an easily accessible form for each of our DPCA families.
Thank you for your help.*
