## Grandparent's Day

As previously announced, Grandparent's Day will not be held in November this year. We will be having a Thanksgiving Chapel in which every class will take a part with their own special presentations. Mrs. Tritz will have her usual Thanksgiving luncheon and everyone is invited.

Grandparent's Day is now scheduled for Friday, February 11th. In preparation for this day, we would like the parent's of all new students to give Dixie Harder names and addresses of their child's grandparents. If any returning students have corrections to last year's names and addresses, please get those to Dixie.

Dixie really has a heart for this day and does a wonderful job with invitations, decorations and special events. She likes to send a beautiful invitation to all the grandparents, even if they live in Alaska!!!

You can get this information to Dixie by calling her at 719-221-6000 or emailing her at [dixie07@bresnan.net](mailto:dixie07@bresnan.net).

The day will be filled with good food, activities for grandparents to join in with their grandchildren and a tour of the school. Many students invite an "adopted" grandparent and we are happy to take those addresses and invite them, too. Look for more information after the first of the year.

## Early Release

This Friday will be an Early Release day. That means school will be out at 2:00 pm and teachers will start a Professional Development workshop at 2:30 pm. In an effort to stay current with all safety procedures, local law enforcement officers will be working with our teachers to go over the new Emergency Operations Handbook and answer any questions that might arise.

This is a very important time for our school as we learn how best to handle any emergency that might arise.

Basketball season has officially started. The Jr Hi boys and girls play their first games tonight and Varsity has started practice.

Another athletic season brings another opportunity for us to support our students as they represent DPCA and to get in hours for the Parent Partner Program by volunteering for concessions, admissions or scorekeeping. Please see Mr. Navarrette if you would like to help.

And, don't hesitate to come to every game you possibly can!!

## Double the Blessing! Double the Blessing!

Thanks to a very generous donor, gifts given to DPCA between October 25, 2010 and December 25, 2010 will be matched dollar for dollar up to a total grant of \$25,000! Our total fun-raising goal for this campaign is \$25,000 in gifts, plus \$25,000 in matching funds, for a total of \$50,000!

*Double your gift! Double your impact! Double your generosity! Double the blessing!*
