October 29, 2009

FALL FEST is just 2 days away!!!!

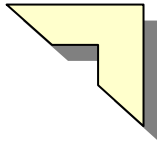

Although Fall Fest is on SATURDAY, Oct. 31st, set up will begin at 1:00 pm on Friday. This will allow us to be ready for the big event and still have an evening at home with our families. You don't need to sign up to show up. We can use any and all help to get ready on Friday and to take down on Saturday.

Last year, we ran out of cakes for the cake walk. If you have a minute to bake a cake or a couple of dollars to buy one, please do so and drop it off at the school on Friday.

Fall Fest is not only a fun activity for the DPCA community, but a positive outreach into our local community. Volunteers are always needed to take a short shift at one of the game booths. Call the DPCA office or walk in and volunteer. See you there!

CONGRATULATIONS
to our Varsity Lady Eagles
Volleyball Team.

In the last of their three games with 1st seed Faith Baptist last Friday, the girls rallied and only conceded the match after a score of 27-29. They went on to defeat 2nd seed Highland to come in 3rd in the FRCAA State Volleyball Tournament. An interesting note is that DPCA and Front Range (who placed 2nd) had the same win/loss score in the tournament. Bracket placement determined 2nd and 3rd place this year.

Nicole Pranger and **Kendra Schell** were awarded All-Conference medals and **Nicole** also medaled for the All-Tournament Team. Only six girls are chosen from all the participants for this award...a real honor for Nicole and DPCA.

Congratulations and thanks to Coach Little for his amazing coaching style and his love of the game and our team!!

To everything there is a season and now it is BASKETBALL season!!

The Jr. Hi boys and girls have begun practice in the afternoons and their first game will be against Cotopaxi. The game will be here in the Eagle gymnasium next Thursday evening, Nov. 5th. Girls play at 4:00 pm and the boys at 5:00 pm. Let's start their season off right by coming out and cheering them on.

As we come to November and December, we think of the time as a season of giving and we should certainly be thinking of the greatest gift we have every received with great Thanksgiving in our hearts.

Many special events for the school are taking place and fundraisers are starting up. Please note that a very important program, our new Booster Club Plus is also starting. We are contacting businesses for contributions to this program. As such, anyone connected with the school or a school event needs to check with Marla in the Development office before soliciting a business with a school need. Thank you for your help.
