### Mid-Terms

Parents of 1st—6th grade students will find their students' mid-terms in today's Wednesday folders. As we change to an electronic grading system, 7th—12th grade students and parents will receive an e-mailed attachment of their mid-term grades. Soon, 9th and 10th grade parents will be receiving a letter explaining how the on-line system works and notifying them of their password into the system.

If we run into any unforeseen difficulties as we enter into the electronic system, we will mail mid-terms, as usual.

We are very excited about the possibilities this system offers parents and students and are confident that you will feel more informed. Students will have a tool that not only will help them at DPCA, but will also give them training for receiving information in college and in the workplace.

### A MESSAGE FROM OUR BOOKKEEPING OFFICE...

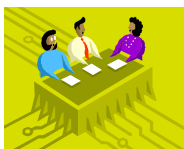

Please be on the lookout for an e-mailed tuition invoice. By the reading of this news, you should have received your most recent invoice. If you have any questions regarding your invoice, contact Mary Anna at ext. 16 and she will be glad to help.

If you were expecting an invoice by e-mail but did not receive it, contact Mary Anna so she can make sure she has your correct/current e-mail address.

Thank you for helping cut down on the school's costs by going paperless!

### PARENT-TEACHER CONFERENCES

As you will see from the October calendar, Wed.—Fri., October 28th—30th are early release days. The schedule is set as such so that we are able to have our first set of Parent-Teacher Conferences. These conferences are required in the fall and are designed to let you know early in the school year if there are any areas of concern for your student(s) and to encourage you in the work they have done thus far. Conferences for 1st—12th grades will be 2:30—6:00 pm. Kindergarten conferences will be 12:00—4:30pm only on Thurs. and Fri. **Please contact the school office to schedule your conference time.**
