- PARENT-STUDENT AGREEMENT -

In registering for enrollment at Darren Patterson Christian Academy/Busy Bees Preschool (herein referred to as "DPCA") for the above-noted student(s), and following the enrollment of my/our child(ren) in the school, I/we the parent(s)/guardian, understand(s) and agree(s) that:

1. DPCA is a private religious organization, and approval for initial or continuing enrollment is at the sole discretion of the DPCA administration. Approval for enrollment means that in the best judgment of personnel involved in the admissions process, the school community and academic services are an appropriate fit for my/our child(ren). The privilege of enrollment may be withdrawn if, in the best judgment of school staff, the school is not able to provide the levels of academic, emotional, community, behavioral, or spiritual support needed by my/our child(ren). Enrollment may be granted on a probationary basis for no fixed time period when fit between student and school appears uncertain, but both parents/guardians and school personnel agree to a probationary period. The probationary period will be documented; all parties concerned will evaluate the wisdom of continuing enrollment following the probationary period. I/We agree that final decision regarding continuing enrollment always rests with school administration.

2. I/We will support and uphold the school staff and the religious mission, intent, policies, rules, and requirements of DPCA. I/We understand that the privilege of enrollment may be withdrawn if the student(s) or parent(s)/guardians are no longer supportive of the school's mission, intent, policies, rules, or requirements. I/We acknowledge that a copy of the Parent-Student Handbook is available in either print form through the school office, or in digital form through the school website at www.dpcaweb.org, and that I/we have had opportunity to read the Handbook and are supportive of the school's religious mission, intent, policies, rules, and requirements described therein. I/We further agree that I/we have had sufficient opportunity to ask questions or receive clarification regarding any school policies about which I/we felt uncertain, and that both my/our signature(s) below, and my/our enrollment of my/our child(ren) at DPCA, indicate my/our wholehearted support for the school, the school staff, and the religious mission, intent, policies, rules, and requirements of DPCA.

Initial

3. No guarantee of continuing enrollment during a school year, or from year-to-year, is implied or conferred. I/we agree that continuing enrollment is approved when school personnel agree that the environment and level of services provided by the school are appropriate to and helpful for the student; and when sufficient evidence of continued parental and student support is apparent. I/We acknowledge and agree that the school's disciplinary process for students includes provision for suspension and expulsion should school administration decide that the behavior being addressed warrants such action, or in the event that I/we can no longer be supportive of school personnel or school policy following disciplinary or any other action.

I/We further agree that DPCA has the right to pursue collection of unpaid balances by any and all legal means. I/We agree that any financial aid received is

on a school-year basis and that no guarantee of ongoing financial aid from year-to-year is conferred or implied. My/Our signature(s) below, and my/our decision to enroll my/our student(s) at DPCA are witness that I/we have received a copy of the Arbitration and Conciliation Agreement (available at the school office) and of the grievance policy (found in the Parent-Student Handbook). Acknowledgement and Assumptions of Risk & Indemnity Agreement

Please review this Acknowledgment and Assumption of Risks & Release and Indemnity Agreement (hereafter 'Document') carefully before signing. All parent(s)/guardians must sign this Document on behalf of their child(ren) listed above.

WARNING: *There are significant elements of risk in any adventure sport, activity, or training associated with hiking, backpacking, camping, indoor or outdoor rock climbing, xc skiing, snow sports, and any field trips. In consideration of the services of Darren Patterson Christian Academy/Busy Bees Preschool, its faculty, staff, officers, employees, trustees, advisors, board members, physician advisor, volunteers, independent contractors, and all other persons or entities associated with it (collectively referred to in this Document as "DPCA"), in allowing students to participate in outdoor activities, participant and parents of a minor participant acknowledge and agree as follows:*

Acknowledgment and Assumption of Risks:

DPCA will always endeavor to plan any activities with recommended safety guidelines and experienced leaders. As such, I/we am/are aware that my child(ren)'s participation in DPCA activities is purely voluntary. No one is forced to participate and I/we elect to allow my/our child(ren) to participate in spite of the risks. I/we further agree and understand the following:

1. I/we am/are aware that these activities entail risks of injury or death to myself (if participating as a chaperone/leader and/or my child(ren)). I agree to assume responsibility for the risks identified herein and those not identified herein. In addition, DPCA will not be liable for any injury or death resulting from "acts of nature" and/or "acts of God."
2. Safety can only be accomplished by each student's compliance with all safety procedures and policies. It is mandatory that each student heed the instruction of all DPCA instructors and administrators. Failure to follow instruction and procedure could lead to a student's removal from any of the activities. In the event a student is removed, I/we agree to assume all costs in returning the student home. If this becomes a serious issue, the student will be removed from the program entirely and will return home.
3. DPCA will not be liable for any injury and/or death resulting from the intentional and/or negligent conduct of another student or person(s) not employed by DPCA.
4. My/our child(ren)'s participation in any activity is purely voluntary. No one is forcing any student to participate and I/we elect to allow my/our child(ren) to participate in spite of any and all risks.

Activities are always planned with age/grade appropriateness. *Some, but not all, of the risks that participants (age/grade appropriate) may be exposed to include: travel and living in remote wilderness settings; rustic living in a rural setting; use of liquid fuel (gasoline) stoves and lanterns; transportation in private vehicles, buses, 15 passenger vans, and other vehicles; wilderness first aid and rescue; work or service projects using hand & power tools; misjudgments by self, others, or DPCA; inappropriate conduct or negligence by self, others, or DPCA; participant's mental, physical, or emotional conditions (known or unknown, disclosed or undisclosed); unpredictable weather, extreme cold and heat, storms and lightning, rain, snow, hail; unmarked or obscured hazards; moving water in streams and rivers, whitewater, stream crossings; high altitudes, steep slopes, difficult terrain, downed trees; falling; rocks, ice, snow, branches, and trees; snow avalanches, snow slides, and low temperatures; improper hygiene; hiking, backpacking, camping, rock climbing, belaying, rappelling, xc skiing, skiing, sports, games, etc.; sustained walking, hiking, running, carrying, and lifting; failure or misuse of equipment DPCA's or student's (whether student's own, or borrowed, rented or purchased from DPCA); gas explosion or fire, contaminated stream water; falling down or slipping; animal hazards: stings, bites, poisoning, and blows; dehydration; broken bones, concussions, wounds, cuts, burns; property damage or loss; heart or lung complications; mental/emotional trauma, temporary or permanent; other injury, damage, permanent disability, death or loss.*

Therefore, in order to protect DPCA students and instructors, we ask that you agree to the following policies. I/We (parent(s)/guardian of a minor participant(s)) understand, acknowledge and agree: **PLEASE INITIAL BESIDE EACH** to indicate your understanding and approval.

_____My/Our child(ren) will follow any and all directives from the instructor with the understanding that their welfare and the welfare of the group depend upon it.

_____My/Our child(ren) will display an attitude of cooperation even when it involves seemingly trivial or unpleasant things.

_____My/Our child(ren) and myself (ourselves) will carefully read all DPCA program information received; review, complete and sign the provided forms and paperwork and abide by the terms of those documents (e.g. Enrollment Agreement and Medical Forms).

_____DPCA staff are available, should I/we have questions about the nature and physical demands of these activities and associated risks. Parent(s)/guardian give(s) permission for their child(ren) to participate in all activities and agree to discuss the nature of these activities and risks with their child.

_____DPCA cannot assure participant's safety or eliminate these risks, and all participants share in the responsibility for their own well-being. DPCA requires helmets or other safety gear for some activities. Use of safety gear may prevent or lessen injuries in some instances but is not a guarantee of safety, and injuries can occur even with the use of this gear.

_____The equipment comes 'AS-IS', and DPCA disclaims all warranties, expressed or implied (including any conditions of merchantability or fitness for a particular purpose) with regard to the equipment. Students agree to aid in inspection of all equipment before use and notify DPCA of any apparent problems or defects with the equipment.

_____Information provided here is not complete, and other unknown/unanticipated activities, risks, and outcomes may exist. DPCA will provide information on any activity to parent(s)/guardians through email or paper handouts and parent(s)/guardians are welcome to research any other possible risks involved.

_____I/We, the parent(s)/guardian, understand that my/our child(ren) is/are voluntarily participating, with knowledge of the risks, and can do so without causing harm to himself/herself or to others. Therefore, the student(s) (and parent(s)/guardian) assumes and accepts full responsibility for the student(s) for the inherent or other risks (both known and unknown) of these activities and for any injury, damage, death or other loss suffered by the student(s) (and parent(s)/guardian) resulting from those risks and/or resulting from the student's negligence or other misconduct.

Release and Indemnity Agreement

Please read carefully! This Release and Indemnity Agreement contains a surrender of certain legal rights. With respect to the child(ren) noted above, I/We, the parent(s)/guardian, on behalf of the participating minor(s) agree as follows:

(1) to release and agree not to sue DPCA with respect to any and all claims, liabilities, suits or expenses (including attorney fees and costs) (hereafter referred to as 'claim' or 'claims'), for any injury, damage, death or other loss in any way connected with my/our child(ren)'s enrollment or participation in DPCA activities, use (including rental or purchase) of any equipment, and/or use of any facilities or premises. I/We understand that in signing this Document, I/we, my/our child(ren), and anyone acting on my/our or my/our child(ren)'s behalf, surrender my/our respective rights to make a claim against DPCA as a result of any injury, damage, death, or other loss suffered by me/us or my/our child(ren);

(2) to defend and indemnify ("indemnify" meaning protect by reimbursement or payment) DPCA, with respect to any and all claims: a) brought by or on behalf of myself/ourselves, my/our child(ren) or a family member for any injury, damage, death, or other loss in any way connected with my/our child(ren)'s enrollment or participation in DPCA activities, use (including rental or purchase) of any equipment and/or use of any facilities or premises; and/or, b) brought by a co-participant or any other person for any injury, damage, death or other loss to the extent caused by myself/ourselves or my/our child(ren)'s gross negligence, or willful, wanton or criminal misconduct, in the course of participating in DPCA activities and/or using any equipment, facilities or premises.

This Release and Indemnity Agreement includes claims resulting from DPCA's negligence (but not its gross negligence or willful or wanton misconduct) and includes claims for personal injury or wrongful death (including claims related to emergency, medical, drug and/or health issues, response, assessment or treatment), property damage, loss of consortium, breach of contract or warranty or any other claim.

Other Provisions: I/We, the parent(s)/guardian of the above-noted minor participant(s), agree that Colorado substantive law (without regard to its conflict of laws rules) governs this Document, any dispute I/we have with DPCA and all other aspects of my/our relationship with DPCA and agree that any mediation, suit or other proceeding must be filed or entered into only in Chaffee County, Colorado. I/We will attempt to settle any dispute through mediation before a mutually acceptable Colorado mediator. If any portion of this Document is deemed unlawful or unenforceable, it shall not affect the enforceability of the remaining provisions, and those remaining provisions shall continue in full force and effect.
