

DARREN PATTERSON CHRISTIAN ACADEMY

Learning That Lasts | 2025-2026

EXPEDITIONARY | FOUR-DAY | CHRIST CENTERED

GUIDED BY OUR MISSION

The mission of DPCA is to guide students in knowledge, character, and faith to discover an authentic love of learning and a life of opportunity. This goal is what drives our staff daily and is the beautiful mission that we believe the Lord has given us. We would not be able to do this without YOUR help. Thank you for the way you support our school so that we can open our doors and provide exceptional education and learning experiences!

DPCA is an intentionally small school to provide personalized care and instruction. Our rigorous academics are hands-on, active, and engaging for all learning types. Outdoor expeditions allow students to take their learning beyond the classroom to develop confidence, communication, and teamwork skills. Character development and spiritual growth are emphasized through our Crew program because we care about who students are becoming, not just what they know.

YOUR HELP IS NEEDED NOW MORE THAN EVER!

DPCA is unique in offering Christ-centered, expeditionary learning. To continue operating in excellence, and to reach as many families as possible, we need your help! Your generous giving benefits all — from our youngest learners at Busy Bees Preschool, to our dedicated staff, by allowing us to make repairs and improvements to our building, increase staff salaries and benefits, provide tuition assistance and so much more. **Even after a successful fall fundraiser, we still need your help to raise \$85,000 to continue growing in these vital ways!**

Thank you for considering a gift to DPCA!
